A deposit of \$200.00 is required to guarantee a puppy of preference (ie: Purchaser choice of gender, color, and/or parentage). **This deposit is non-refundable.**

Once you are notified that the litter has arrived and the puppy of choice (gender, color, etc) is available, your deposit must be sent promptly to secure your pup and your place on the list for the selection process. If you call ahead to reserve a puppy and there is a delay in receiving your deposit, you risk losing your first choice of puppy if other forms and deposits arrive before your deposit does.

FYI: I always evaluate all litters and rate them by temperament, individual personality, and drive level. From my evaluation, I will suggest a group of puppies to choose from that will best suit your individual situation and lifestyle. Our goal is to place each and every puppy in the best matched home; sharing personality and attributes. Remember, this is a new addition to your family home and will be with you for many years.
